ATTENDANCE - School hours are 9.00am-2.45pm

Students who are absent from school must return with a written explanation of their absence. This note needs to be given to the class teacher. Absences which are not explained within seven (7) school days, or are unexplained absences, will be recorded as unjustified absences. Teachers may contact you in cases of unjustified absences. You can also send an absence note through the School eNews website or app – go to the digital forms section.

LATE ARRIVAL AND EARLY DISMISSAL

Students arriving late at school or needing to leave school outside the regular school hours - parents/carers must phone the Administration Office from the school gate. Your child will be brought out to you. Please ensure you allow enough time for this to happen – particularly if you are going to an appointment.

STAGE 3 CAMPS

In 2021 Years 5 and 6 will attend separate camps – dependent upon the COVID-19 restrictions and regulations at the time.

Year 5 students will have the opportunity to attend a 5 day camp to Point Wolstoncroft from 26th-30th July. This is a Sport and Recreation Camp where students will participate in outdoor recreation activities – archery, canoeing and rock climbing are some of the activities available.

Year 6 students will have the opportunity to attend a 5 day camp to Canberra with 1 day in the snow from 16th-20th August.

STUDENTS AND THEIR PERSONAL TECHNOLOGY

Mobile Phones/Smart Watches

As a school community we recognise that some families require their children to have mobile phones for before or after school communication. We also are very aware that mobile phones can often be the catalyst for inappropriate behaviour. If you provide a mobile phone for use before or after school the following must be adhered to:

- No mobile phones are to be used or visible during school hours;
- Phones must be stored in school bags and switched off;
- Phones can only be taken out of bags and turned on after students have left school premises; and
- No responsibility will be taken for lost or damaged items.

Any student in breach of the above will be asked to explain their actions to the principal.

Other Electronic Devices (eg: I-Pads, I-Pods)

Very simply, these items are not to be used at school. If you provide these items for use during travel time after school, the same expectations apply as outlined above for mobile phones. These items are only allowed at school if a class teacher has endorsed their use as part of a class party or teachers have negotiated their use as part of Individual Learning Plans.

This will always be communicated to parents.

Any I-Pads which are used for any other educational program will be provided by the school.
